

ENVIRONMENT DAY

5th JUNE 2017

CONNECTING PEOPLE WITH NATURE

plastic or paper bags after one use

STOP CARRYING

STOP CHOKING

STOP KILLING ANIMALS

Mother Nature too needs care and protection.
Show her you care.
By caring for her trees.

Love trees...Love nature....

The department further requests the general public to take the following precautions:-

- ▶ Dispose the waste after separating the into biodegradable and non-biodegradable.
- ▶ Start a compost heap or use a compost bin
- ▶ Don't burn any waster - plastics
- ▶ Reuse carrier bags
- ▶ Walk or Cycle
- ▶ Use Public transport
- ▶ Avoid fast starts and sudden braking of atuombiles
- ▶ Use unleaded petrol
- ▶ Plant trees
- ▶ Observe World Environment Day on 5th June
