Press Release

Chandigarh, February 18:- Health Department, Chandigarh Administration has provided additional telephone numbers from company other than BSNL so that in the event of failure of one-telecom service the other telephone service would be available.

The step has been especially taken by the administration keeping in view the incident of fire in the office of BSNL, which resulted in temporary disruption of connectivity between hospital and public. The telephone numbers commissioned are 0172-5060691 for casualty and 0172-5080102 for enquiry/ambulance. All the previous numbers also exist.
