**Press Release**

**Chandigarh, December 29:- Health Department, UT Administration today sealed the machines at an Ultrasound Centre being run in the premises of a Gurudwara in Sector 22, Chandigarh. During the routine inspection of the Centre, it was found by the team from the records that the doctor conducting ultrasounds was working without the requisite intimation to the Appropriate Authority regarding his appointment.**

**A show cause notice was issued to the centre to produce a proof regarding the intimation to the Appropriate Authority. Due to the inability of the Centre to do the same, the license of the centre was suspended and the centre sealed for a period of three days.**
