**Press Release**

**Chandigarh, July 26:- A mega health check-up camp was organized by the Rotary Club, Chandigarh in the Government School, Colony No. 5, Chandigarh. More than 1500 persons including women and children were examined for various ailments and given free treatment.**

**The Chandigarh State AIDS Control Society joined hands with the Rotary Club Chandigarh to provide free STI/RTI services as well as free HIV/AIDS testing. The women and children were encouraged to talk about adolescent health issues as well as issues related to sex and sexuality. The target behind this project is to attain 100% awareness levels regarding HIV/AIDS among the slum dwellers particularly the out-of-school youth.**
