Press Release

Chandigarh, 26th September 2017: As per the orders of Designated Officer, Food Safety Administration, a joint team of Food Safety Officers was constituted for conducting inspection and sampling. The team inspected the premises of Panjab University, Chandigarh on 25th September 2017. Various food joints, hostel mess and canteens were inspected for their general hygiene and quality standards. Six samples were lifted for analysis and examination and a challan was made for un-hygienic and un-sanitary conditions for the violation of the Act. On 26-09-2017 a team inspected various sweet shops in UT of Chandigarh and samples of Khoya products were taken. The team also intercepted one Tempo Three-wheeler at Sector 42, Chandigarh of M/s Krishna Sweets, Kharar, Punjab supplying different types of sweets to the Food Business Operators of Chandigarh. Samples of Pista Badaam Burfi, Dhoda Sweets, Milk Cake, Kalakand Sweet, Khoya Burfi and Paneer were taken in lieu of the coming festival season. The said seized samples have been sent to the Food Analyst Laboratory for analysis & examination. The Food Business Operators were also instructed to keep hygiene and quality standards as per Food Safety & Standards Act, 2006 and were advised not to use any prohibited colors in preparation of sweets and keep the food articles covered.
