Press Release

Advisory during Foggy Season

Chandigarh, 5th January 2018: Chandigarh Transport Undertaking has issued an advisory for the general public to cope with the dense fog/ low visibility

- Avoid unnecessary travel
- Park your vehicles in proper parking lots
- Drive slowly, use blinker lights and reflectors to avoid untoward accidents
- Use fog lamps and keep headlights on low beam
- Don't Use Cell Phone while Driving
- Keep heater on to avoid condensation inside.
- Watch for stalled or slow moving vehicles in front of you
- Keep the car manufacture's roadside assistance number with you in your Car
- Reduce the 'In Car' distractions
- Keep lights and windshield clean
- Use the white marking and Right edge of the road for guidance
- Be patient
- Give Proper Signal while taking a turn
- Avoid stopping/parking vehicle on the road
- While parking on the road, always keep the blinkers on
