Press Release

Chandigarh 10th March 2018: It has come to the notice of Chandigarh Housing Board that some unscrupulous elements are misguiding the General Public/Applicants under PMAY in regard to submission of documents and posing them as Govt. authorized agents/representatives. Such elements are asking the applicants under PMAY to get their declarations/other documents attested from the Notary etc. though CHB has asked for submission of self attested documents only along with the declaration enclosed with the CHB letter. It is clarified to the General Public/Applicants that CHB has sought the declaration signed by the applicant along with other documents to be enclosed mentioned therein.
